

\$100 Pledged in Fight To Keep Trains Running

Contributions and pledges amounted to more than \$1,100 at a public meeting Wednesday called by the Gulf Coast Commuters Association to urge community support in the battle to delay discontinuance of the Louisville and Nashville Railroad Co. commuter trains Nos. 9 and 12 between Ocean Springs and New Orleans.

Mr. Vorbusch of Wavecrest, president and New Orleans attorney, told more than 100 commuters, local businessmen and governing officials at the meeting in Bay High School auditorium that nearly \$3,000 would be needed to defray costs of obtaining and conducting a protest hearing before the Interstate Commerce Commission.

The railroad has asked the ICC for permission to discontinue the trains by Jan. 2. If a hearing is granted the discontinuance would be delayed at least four months, since the hearing would not be until then.

Losses from operation of the trains in 1957 amounted to more than \$70,000, railroad officials say, pointing to the steady decline in the number of passengers using the commuter trains, despite the steady growth in area population.

The Commuters Association has agreed to accept a 30 per cent fare increase, Mr. Vorbusch said, but the railroad has refused to consider raising rates.

"Discontinuation of the trains would throw the Gulf Coast back several years," he said. "A community depends upon transportation for its continued growth, and without adequate transportation facilities it can only decline."

In a protest petition filed by the association with the Interstate Commerce Commission it was noted that the only substitute train was on time only five days during the first 28 days of November. On six mornings it was more than an hour late, the petition charged.

"At Chef Menteur, Lake Catherine and Rigolets, La., where there is no access by land to the highway, persons using trains Nos. 9 and 12 at these points, including a number of school children, would be without transportation if trains 9 and 12 were discontinued as these are the only trains scheduled to serve these points," the petition says.

"Time is running out, and we must appear in these last hours," Mr. Vorbusch said. "If the train is discontinued Jan. 2 it will be terribly difficult ever to get it back," he added.

"Financial and vociferous support is needed now," Charles Ferry, association treasurer, said.

"Your contributions are sorely needed. Your individual telegrams to your congressmen and to the ICC, Division 4, Washington, D. C., will demonstrate the tremendous community interest in this train."

William Gaudet said he had talked to persons in Washington, D. C., and New York City who said that the ICC probably would favor discontinuance of the trains unless strong community need for the trains could be shown.

Further protest was voiced by special guests at the meeting, H. C. Ezell, chairman of the Gulf Coast Municipal Assn., and W. E. (Bucky) Moore, representative of the Mississippi Public Service Commission.

Tuesday Vote To Decide School Bond Issue Fate

Fate of a three-part Bay St. Louis Municipal Separate School System expansion program will be decided by voters Tuesday in a \$185,000 school bond issue election.

The bond issue, if approved, will make possible a \$240,000 program which includes:

A 16-classroom, \$185,000

elementary school building to be erected on the 29-acre Dunbar Ave. site owned by the school system. Total area would be 18,774 square feet.

A \$40,000 four-classroom addition to Valena C. Jones Negro School.

A \$12,000 kitchen addition to Waveland School.

If passed, the bond issue will be the second to be approved on the Gulf Coast this month. Biloxi voters Tuesday approved a \$2 million issue for construction of a school, hospital and stadium.

Community support of the bond issue here has included unanimous endorsement of the proposed expansion by the Rotary

Club. Club members stressed the need to work diligently for passage of the issue.

Extremely overcrowded conditions make the proposed additions vital to the continuation of adequate schooling for local children, Superintendent Joe D. McCullough said.

Mr. McCullough noted that Bay High School students presently are attending classes in the gymnasium and auditorium. Students at Valena C. Jones School are meeting for classes in the school library and gymnasium. Children at Waveland School are forced to eat at the town hall because of the lack of lunchroom facilities at the school.

A parade of local elementary and high school students from Webb and Taylor Schools, S. J. Ingram Elementary School and Bay High School will begin at 10:30 a.m. Monday. Banners will indicate grades 1 through 12 and a continuous blowing of the fire whistle will indicate that the parade is under way and students are marching, Mr. McCullough said.

It is hoped, Mr. McCullough said, that the parade will remind voters of the need for further facilities to educate a growing student population.

Gulfport architect Charles L. Proffer of the firm of Kuykendall and Proffer has designed the building and additions. "We have emphasized sound, lasting construction with a minimum of unnecessary frills," Mr. Proffer said.

"Those who were stunned by the recent tragic Chicago school fire will be pleased to know that the new school building will be completely fireproof with exits

at each end," Mr. McCullough added.

Approval of the bond issue would bring a tax rate increase of not more than 2 1/2 mills, Mr. McCullough said. This means that taxpayers would pay an additional 25 cents for each \$100 of assessed valuation of their homes.

For example, the owner of a home with an assessed value of \$500, which was quoted as an average Hancock County valuation, would pay \$1.25 a year for the added educational facilities.

Voting places for residents of the Bay St. Louis school district will be:

North and South Bay St. Louis—City Hall.

Waveland—Waveland City Hall.

Edwardsville—Regular Edwardsville precinct.

Arlington—Regular Arlington precinct.

Other outside Bay St. Louis areas—Hancock County Courthouse.

All polls except the North and South Bay St. Louis one at the city hall will open at 8 a.m. and close at 6 p.m. The North and South Bay St. Louis poll will open at 7 a.m. and close at 6 p.m.

Citizens are reminded that otherwise qualified voters may pay two unpaid poll taxes before a special election such as Tuesday's.

Garden Club Development Program Backers Sets Contest Spend \$92,350 During Year In Lighting

Bay-Waveland Garden Club will sponsor a Christmas lighting contest again this year.

In the past, the contest has been limited to residential decorations. This year, the club is asking business establishments to enter the competition.

Ribbons will be awarded as first prizes in five categories: best doorway, best window, best rooftop, best outdoor tree and best overall decoration.

The garden club is "inviting all to light up and brighten up with the true Christmas spirit."

Cost of installing a 402-foot public pier at Dunbar Ave. and N. Beach Blvd. was \$4,000.

Nearly \$1,200 was spent by 12 local merchants who painted their buildings and improved grounds as part of the clean-up, paint-up and fix-up campaign.

Knights of Columbus cooperated with this campaign by installing a \$400 electric sign in front of the organization building and planting azaleas and shrubs, cleaning an adjoining lot and having a cement culvert installed at an open ditch, all for approximately \$500.

A citywide average improvement of 275 per cent was gained in street lighting. Business district improvement was 485 per cent and residential improvement was 85 per cent. Cost of the additional lighting was estimated at \$1,200.

A \$1,000 playground was built and another is in the planning stage.

Costs neared \$500 for beautification of US-90. The committee arranged for planting of oleander bushes, 200 pounds of crimson clover, 34 young pine trees and 12 pyracanthas.

Mrs. Mae Tudury is chairman and Mrs. A. G. Dantagnan co-chairman of this committee.

A \$32,350 water sphere and a \$3,000 concrete foundation, both for the proposed new Hancock County Hospital, are major health and sanitation projects completed. Octave W. Delph and J.

Buses Change Route

East and westbound Greyhound buses stopping at Bay St. Louis will be re-routed, effective midnight Sunday, to enter and leave the city by way of US-90. The buses have been driving down Beach St. to Ulman Ave.

The change was made, a company official said, because of the danger to school children at Bay High School who cross Ulman Ave.

Live turkeys will be prizes at a shooting match to be sponsored by the St. Stanislaus Side-lines Club at Scaffa's Service

Station on US-90 from 2 p.m. until 4 p.m. Sunday.

Proceeds will be used to defray expenses of the club.

R. Scharf are chairmen of this committee.

Other projects were completion of Railroad Ave., \$9,200, and Leopold St., \$2,400. Cost of improvement of other streets was estimated at \$6,000.

The court of this year's ball will be made up of 20 couples and the king and queen, whose identities always remain a well-guarded secret until their presentation the night of the event.

Committee chairmen were appointed at a recent meeting of the Parents' Club and are: Mrs. Robert Kemery, chairman of the court committee; Mrs. Virgil Giani, decorations; Mrs. H. Mazarakis, advertising; Edward Murtagh, tickets; Mrs. John Sciana, lighting; Mrs. Milton A. Phillips Jr., flowers; Mrs. Victor Fouert, floor committee; Mrs. Dan M. Russell, entertainment, and Mrs. A. G. Favre, publicity.

Mr. Murtagh commented that all seats will be reserved.

Construction has begun on a Youth Building in the rear of the First Baptist Church on Main St. Sponsors of the building are members of the Brotherhood of the church, who are donating labor and materials for the project.

A spokesman for the Brotherhood reported that it is expected the building will be ready for occupancy early in the spring. He explained that the building would be used for the activities of young persons of the church.

Live turkeys will be prizes at a shooting match to be sponsored by the St. Stanislaus Side-lines Club at Scaffa's Service

Station on US-90 from 2 p.m. until 4 p.m. Sunday.

Proceeds will be used to defray expenses of the club.

Members of the sixth, seventh and eighth grades will present a pageant, "Christmas Around the World."

Regular meeting of the R. Bonington Post, American Legion, will be at 8 o'clock in the Legion Home. Final Christmas party plans will be discussed.

Superintendent of Schools Asks Citizens To Vote 'Yes'

Since I became superintendent of city schools, I have strived diligently at all times to maintain a friendly attitude toward all educational institutions in this area. I am vitally interested in all institutions of learning in Bay St. Louis, as well as the public schools. I hope that this bond issue will not turn into a political issue and cause some people to vote against it because of some prejudice held against each other. We must all work together for the benefit of all our students in this community if we are to succeed. The proposed school building program should be looked upon entirely as a community project.

From observing the pictures taken here at Bay High School and at the Valena C. Jones, colored school, the crowded conditions and fire hazard present existing are evident. You can readily see that these students certainly need additional classrooms in order to do their work. I hope that every voter will stop and think and consider this point before casting his vote: THIS CHILD COULD BE MY VERY OWN TRYING TO OBTAIN AN EDUCATION UNDER ADVERSE CONDITIONS. With this thought in mind, I'm sure that your answer will be "YES" when you go to the polls to cast your vote.

Many thanks to all.

JOS. D. MCCULLOUGH
Superintendent of City Schools

Youth Center Drive Is Slow

Only \$108 was collected this week in the annual Youth Center fund drive, making a total of only \$385 of the \$1,500 goal.

J. W. Watts Jr., chairman of the drive, appealed to the generosity of Hancock County residents for help in reaching the goal.

Funds are needed to operate the center for recreational activities of young persons and contributions are requested only once a year.

Contributions since Dec. 4 are: Mr. and Mrs. Eugene Davis, \$5; the Rev. and Mrs. G. R. Johnson, \$5; Mr. and Mrs. H. J. Thompson, \$5; Mr. and Mrs. E. J. Arceneux, \$2.50; Mr. and Mrs. Warren Traub, \$5; Mr. and Mrs. W. A. Morreale, \$5; Mr. and Mrs. O. W. Delph, \$10; Mr. and Mrs. J. R. Scharf, \$15; Mr. and Mrs. B. F. Farrelly, \$2.50; Mr. and Mrs. P. E. Porter Sr., \$10; Mrs. W. F. van Calster, \$1; Mrs. E. N. Spence, \$25; Leo W. Seal Jr., \$10; Mr. and Mrs. Howard Cox, \$2; Mr. and Mrs. W. W. Rausch, \$5.

Entered as second-class matter at the Post Office at Bay St. Louis, Miss., under the Act of March 3, 1879.

The School Bond Issue

Bay St. Louis voters are being called upon to make an important decision Tuesday. It is a decision that is of paramount concern to their children of today and a decision that involves the welfare of this community's children of the future.

They will determine the fate of a \$185,000 school bond issue that would provide construction of additional facilities needed to overcome existing overcrowded conditions in the schools and provide for an anticipated further increase in school population. In the expansion program, which is anticipated to cost \$240,000, the state has available a potential grant of \$55,000. The bond issue would provide the rest.

Voters need only look at enrollment figures for the last five years to see why more classrooms are needed now. The number of students has more than doubled in that time. Best projection for the future is that the number will increase by an additional 50 per cent. in the next five years, making the school population in the 1962-1963 school year more than three times greater than it was in the 1953-1954 school year.

With a shortage of 13 classrooms today, consider what conditions would be in five years were additional facilities not provided. By next fall alone, the shortage will be increased by six more classrooms.

An investment in better schools is one that will pay dividends in many ways. Primarily, it better prepares the students of today to become the leaders of tomorrow. They have only one chance in life for a formal education. Secondly, it makes the community more attractive to persons moving into the area from other sections of the nation and other parts of Mississippi. Thirdly, any general increase in population is bound to be reflected in a larger business volume for the community.

Competition for new residents is increasing constantly among those parts of the nation which are blessed with the more favorable climate. This is true not only regarding those who are retiring after a lifetime of labor but those whose particular vocations permit them to choose from among several communities where they would prefer to live. And if persons in the latter category have children, one of the first questions they ask is, "How are the schools?"

The best possible school system definitely is an attraction to potential residents, be they young parents just beginning to rear their families or the settled middle-aged and retired groups who put an emphasis on quality in all aspects of community life.

The board of trustees of the Bay St. Louis Municipal School District, city officials and Superintendent of Schools Joe D. McCullough have done an outstanding job in presenting facts and figures to the voters, clearly and concisely and with accurate data to support their justified appeal for more classrooms.

For the benefit of today's students and those students who will be coming along in the years ahead -- and for the benefit of the community as a whole -- a vote FOR the bond issue in Tuesday's election is essential.

Scouts Seldom Criminals

Youngsters who have received Boy Scout training and who have been endowed with the Scout Code seldom grow up to become criminals. Such organizations as the Boy Scouts help to develop character and mould youngsters into responsible citizens. As practical insurance against juvenile delinquency, Scout training is tremendously effective. The record fully and eloquently supports the fact that every few youngsters who have received Boy Scout training ever grow up to become criminals.

BORDEN'S ICE CREAM MIX - ALL FLAVORS

the American Way

By M. V. EGGLESTON

Repeatedly we read about those menaces on the highway -- the speeder, the drunk, the fellow who follows too closely, the woman who fails to signal, the guy who can't or won't read stop signs, the woman who is color-blind to signal lights, etc., etc. But never do we read about one of the worst drivers, the palooka who drives the car with a weak top. It's high time he gets some attention.

You know who we mean -- the driver who has his left arm out the window, holding up the top of his car, giving you a continuous signal that he's going to turn to the right. Then, when you try to pass him, he suddenly decides to pass you, without any change of signal. You see, he's so busy holding up that top of his car, he has no hand remaining with which to flash his signal lights.

This guy is really a hazard. He has no business to be driving on a busy highway, any highway for that matter, with only one hand on the wheel. That arm held in perpetual signal for a right turn, is a pain-in-the-neck to the driver behind him. There ought to be a law.

You've heard lots of wise cracks about women drivers. Of the thousands of drivers with left arm holding top, it's been my bad luck to follow, all have been males -- not one woman.

A traffic enforcement officer with whom I talked about the drivers of cars with "weak tops," made this comment: "It's not the tops of the cars that are weak, it's the tops of the drivers that are weak."

The prosecution rests.

My Favorite Prayer

BY J. CAMERON THOMSON

Chairman of the Board, Northwest Bancorporation, Minneapolis, Minn.

Almighty God, our Heavenly Father, who of Thy great mercy has promised forgiveness of sins to all them that with hearty repentance and true faith turn to Thee; pardon all that we have done in wilful or thoughtless disregard of Thy honor, and of our neighbor's good.

If we have this day by word or deed made life harder for any of our brethren, or faith in goodness less easy, forgive us.

Confirm and strengthen us in all goodness, through Jesus Christ our Lord, (Presbyterian, The Prayer of Confession)

Do you know that goldsmiths were the first commercial bankers? The modern banknote evolved from their personal receipts for deposited valuables.

Viruses May Help Solve Serious Health Problems

Last of three articles on viruses, the harm they cause, what is being done about them and even what good they may do, by Dr. Henry W. Kumm, chief of virus research for the National Foundation, which in 1959 adds arthritis, virus diseases, birth defects and disorders of the central nervous system to its unfinished battle against polio.

By HENRY W. KUMM

Viruses, which we think of as harmful and deadly, may help mankind solve some of its most serious health problems, including the challenge of cancer.

This may appear strange, but it is so because we have learned to use viruses as laboratory tools to help us study the mysteries of life. We still do not know exactly what life is, and we must understand it if we are to combat some of the processes that interfere with life.

If anyone asks us what a human being is, we are apt to say that it is a creature with two arms, two legs, a nose and so on. But if we go further, we would find that a human being is a collection of living cells, working together in an orderly and wonderful way. At least they work together in an orderly fashion when we are well.

In every human disease what is really wrong is that cells within the body have themselves become sick. To prevent disease, we have to prevent cells from becoming sick and we have to know what makes them sick.

Nowhere is this more important than in cancer, where cells grow wildly and multiply far more rapidly than they should. It is important in arthritis and in any disease condition that can be named.

Human cells are very small. They have to be examined under a microscope. Even then it is very difficult to determine just what is happening inside of them. We have to use indirect methods to find out since in most cases just looking will not give the answer.

It happens, sometimes unfortunately and sometimes conveniently, that viruses will grow and multiply only within living cells. Viruses can't multiply by themselves because they are too primitive. They depend on the machinery of the cell itself. And when they invade a cell they generally take over control of that machinery and direct it to produce more virus.

Man cannot enter a living cell to study it. But he can send a virus. By carefully observing what happens in hundreds of experiments, he can learn more about the cell, as well as more about the virus.

The more such experiments are performed, the clearer it becomes that at the basis of all diseases are chemical reactions within or near living cells. Actually, we are concerned with something even more specific than this: with the behavior of certain molecules within cells. This has been called molecular biology.

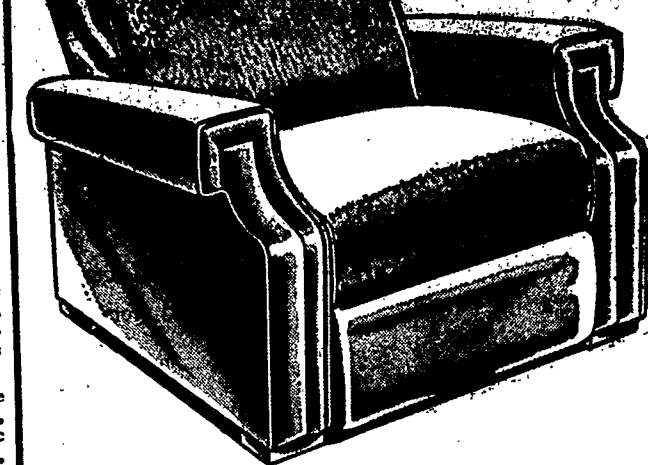

Complicated as all this seems, it is very practical. When you have the sniffles it is really because within some of your cells certain molecules are reacting with other molecules or atoms to produce certain effects. Results: a runny nose. While a runny nose is not serious by itself, matters such as arthritis or influenza are. And they, too, are the ultimate result of what molecules do.

One of the molecules we are interested in is a long, slender, complex affair called nucleic acid. It occurs in all living things, including viruses and cells. It is the nucleic acid in human germ cells that determine whether you will have blue eyes or brown, five fingers or six.

March of Dimes funds are supporting studies of such molecules in laboratories from one end of the nation to another. Viruses are helping in this job. Already we know that if a cell is injected with a virus nucleic acid, the nucleic acid in the cell becomes abnormal.

We are a long way from knowing all about this molecule and what it does. Yet it is probably no exaggeration to say that if we knew all about it and could control it precisely, we would be able to control most human diseases. We may never reach that point. But the American people, through their donations to the March of Dimes, are bringing us closer to that knowledge.

Ordination Set At Seminary

Ordination and organ blessing ceremonies will be held at the Divine Word Seminary Sunday. At 8:30 a.m. the disconate will be received by Frater John Cassidy, S.V.D., of Burr, Iowa; Frater Gerald Garry, S.V.D., of Schenectady, N. Y.; and Frater James Henry, New York City. The Most Rev. Richard C. Gerow, S.T.D., of Natchez-Jackson Diocese, will be ordaining prelate. Immediately before the be-

towal of the diaconate, minor orders will be conferred upon a number of seminarians. Alfred Garr of Australia will be ordained subdeacon for the Alexandria, New Guinea, Diocese. At 9 p.m. Bishop Gerow will bless the new organ in the seminary chapel. After the blessing Prof. Joseph Hemmersbach will offer an organ recital. The ceremony will close with Benediction of the Blessed Sacrament.

SERIOUS SITUATION--The discovery that the painting is a fake has these characters in the Little Theatre production of "The Reclining Figure" in a grim mood. The Broadway comedy will be presented tonight, Friday and Saturday nights in the Bay St. Louis Little Theatre. Front row (left to right) are Lucas Edgerton, played by Mayor John A. Scafide; Sam Ellis, played by Charles Carter Jr., and Cassie Edgerton, played by Mrs. John R. Husband, back row (left to right), are Dr. Hickey, played by N. L. Carter, and Jonas Astorg, played by Basil P. Cockshott.

NOTICE OF BOND ELECTION
Notice is hereby given to the qualified electors of the Bay Saint Louis Municipal Separate School District, Hancock County Mississippi, that an election will

be held in said School District on Tuesday, the 16th day of December, 1958, for the purpose of submitting to the qualified electors of said School District the following proposition, to-wit:

PROPOSITION

Shall the Bay Saint Louis Municipal Separate School District issue its bonds in the principal amount of One Hundred, Eighty-five Thousand Dollars (\$185,000.00), for the following purposes:

1. The erecting and equipping of one new school building, consisting of sixteen classrooms and related facilities, and providing necessary water, light, heating and sewerage facilities for said school building, to be located on or near Dunbar Avenue on property presently owned by said School District.
2. The enlarging of Valena C. Jones school building by the erecting, constructing and equipping of four new class-

rooms as an addition to said school building, and providing for the necessary water, light, heating and sewerage facilities.

3. The erecting, constructing and equipping of a lunchroom as an addition to the Waveland School building, and providing for the necessary water, light, heating, and sewerage facilities.

The said election will be held at the following polling places within the said Bay Saint Louis Municipal Separate School District, to-wit:

1. The City Hall, Bay Saint Louis, Mississippi.
2. The Town Hall, Waveland, Mississippi.
3. Arlington Precinct, Edwardsville Precinct.
4. Hancock County Court House.

The polls of said election will be open as follows: At the hour of seven o'clock in the morning at the City Hall in Bay Saint Louis, for the qualified electors residing in the City of Bay Saint Louis; and at the hour of eight o'clock in the morning at the Edwardsville and Arlington Precincts, at the Town Hall in Waveland, and at the Hancock County Court House for those electors residing outside the corporate limits of the City of Bay Saint Louis, and the polls will be open until the hour of six o'clock in the evening of the aforesaid date at all polling places.

Those qualified electors of the District who live outside the corporate limits of the City of Bay Saint Louis and ordinarily vote in other elections at precincts other than the Bay Saint Louis City Hall, Arlington, Edwardsville and Waveland, will vote at the Hancock County Court House in Bay Saint Louis, Mississippi.

The said election shall be held and conducted as far as practicable in accordance with the laws regulating general elections in the State of Mississippi and the City of Bay Saint Louis. All qualified electors of the Bay Saint Louis Municipal Separate School District will be entitled to vote in said election. By order of the Mayor and Board of Commissioners of the

DeMetz Heads Scout Council

Robert DeMetz was elected district chairman of the Bay-Pass Area Boy Scouts Monday night during a dinner meeting in Hotel Reed. Other new officers are Warren Buehler, assistant district chairman, and Lucien Kidd, district commissioner. William Green, of New Orleans spoke to the group on safety. Also present was scouting official Gerald F. Villars. H. W. LeTissier, finance committee chairman, has announced that the Boy Scout annual drive for funds will continue through this month. Bay St. Louis troop 208 will hold a father-son banquet supper at 7:30 p.m. Dec. 18 in the

City of Bay Saint Louis, Mississippi, this the 17th day of November, A. D., 1958.

A PROTEST

Against Discontinuance Of The New Orleans- Gulf Coast Commuter Train

Because of hardship to a great number of persons that would result from proposed discontinuance of L&N train Nos. 9 & 12, the Gulf Coast Association protests the proposed abandonment of this essential service that has been proposed as of January 2.

We therefore earnestly urge you to put your name and address on this advertisement and mail it to the Interstate Commerce Commission, your Congressmen and your Senators.

We also earnestly urge that you send contributions to the Gulf Coast Association, care of Charles Ferry, Treasurer, 1408 Whitney Building, New Orleans so that the coming legal fight may have adequate financial support.

VOTE ☒ YES FOR THE MUCH NEEDED PUBLIC SCHOOL EXPANSION PROGRAM ON DECEMBER 16, WHICH WILL INCLUDE:

1. A NEW 16 CLASSROOM ELEMENTARY SCHOOL BUILDING.
2. A 4 CLASSROOM ADDITION TO VALENA C. JONES SCHOOL FOR THE COLORED.
3. A MODERN LUNCH ROOM KITCHEN AT THE WAVELAND SCHOOL.

TOTAL COST OF THIS BUILDING PROGRAM IS..... \$240,000.00

AMOUNT TO BE PROVIDED BY STATE

EDUCATIONAL FINANCE COMMITTEE..... \$55,000.00

AMOUNT OF BOND ISSUE..... \$185,000.00

PLEASE KEEP IN MIND THESE FACTS: The cost of this bond issue will necessitate an increased levy of not more than 2-1/2 mills. This means that for every \$1000 of assessed valuation, the additional cost will be \$2.50. Unless these additional educational facilities are provided, your local school trustees will be compelled to rent buildings for more classroom space - the cost of which could become almost prohibitive.

We, the members of the commission council of the City of Bay St. Louis heartily endorse the school expansion program and urge every voter in the Bay St. Louis municipal separate school district to go to the polls on Tuesday, December 16, and vote ☒ yes for the bond issue.

It has been called to our attention that plans for the construction of a parochial school have been developed and completion is scheduled for 1960. We are cognizant of the fact that our local private schools are unable to provide for more students at the present time. The construction of a parochial school would certainly be an asset to the community and would, to some extent, relieve the over-crowded condition of our public schools. However, at the present rate of increase in enrollment in our public schools, the expansion program which we are recommending will still be necessary to eliminate the present over-crowded condition, and assure us of adequate public school facilities to take care of the anticipated increase in enrollment for the next 10 to 15 years.

"A VOTE FOR BETTER SCHOOLS MEANS A VOTE FOR BETTER CITIZENS"

Benefit Movie For Youngsters Will Be Dec. 18

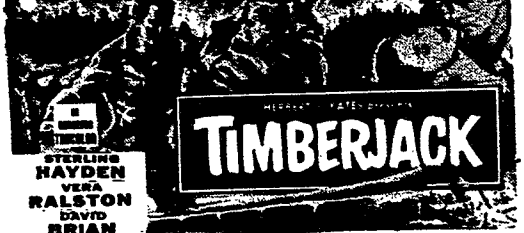

Young residents of Hancock County are cordially invited by members of the Rotary Club to attend a benefit movie in the A and G Theatre at 8:15 p.m., Dec. 18. A can of any type food has been set as the admission fee. Annually, members of the Rotary Club hold the benefit to obtain food for Christmas baskets for needy families in the area. Robert L. Hamilton, chairman, explained that organizations of Hancock County may obtain the canned articles for baskets as long as they last. He suggested that chairman of the organizations apply to him for distribution to them. C. J. Piazza, manager of the A and G Theatre, is offering the theatre and the film free to the Rotary Club for the benefit. Committees working with Mr. Hamilton on the project are L. L. Kergosien, Alden Maffray, David McDonald, K. W. Pepperdene and Carl Smith.

YOUTHFUL CROSS-SECTION—Representatives from three states joined County Agent Howard Simmons (second from right) in admiring a tree in the 2,000-tree citrus grove of Percival Stern, 370 Beach Blvd., Waveland. The 12-acre grove was viewed Monday by eight busloads of youngsters attending the 24th annual convention of the National Junior Vegetable Growers Association at Biloxi. From left are Ferdinand (Bud) Thar, Dowagiac, Mich.; Barb Maduro, Rockland County, N. Y.; Mr. Simmons, and Robert Domin, Haverhill, Mass. These youngsters and the others attending the convention were prize-winning vegetable growers in their own areas.

Letters For Santa

Dear Santa:
We are writing you early this year because we have a new little sister and we don't want you to forget her. Her name is Mary Magdalene and she is only 10 months old. So maybe you can find something for her. We would like some see-saws for our playground and could we have a basketball and a goal, also a few smaller toys, but Santa don't bring us too much, because there are a lot of small children at the Charity Hospital in New Orleans, La., who are sick and would enjoy even one small toy. Please Santa remember them too.
Thank you Santa,
SHIRLEY JO, LINDA KAY AND RICKY RICHARDSON

Dear Shirley Jo, Linda Kay and Ricky:
Your lovely letter was my first one this year from the children in Hancock County. You can be sure I won't forget little Mary Magdalene on her first Christmas. I am very proud of you all for remembering the children at Charity Hospital and I promise to see that they are

remembered, too, on Christmas. I'm sure you have been good children this year and I will try to bring the presents you asked for. Merry Christmas to you all and to Mary Magdalene too.
Love,
SANTA

November Traffic Kills 54 in State

The Mississippi Highway Patrol reports 54 traffic deaths for November.

This, Commissioner of Public Safety Tom Scarbrough said, brings the state's 11-month highway death toll to 481. The corresponding death figure for last year was 459.

The Highway Patrol repeatedly has blamed driver carelessness for the increase in traffic deaths.

Unless the normal upward trend in December accidents is curbed, Mr. Scarbrough warns, Mississippi 1958 traffic toll may approach an all-time high. Last year 526 died in automobile accidents. Last December's toll alone accounted for 67 dead.

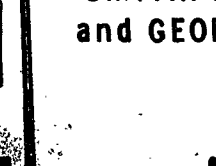

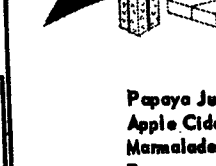

Christmas Party for Youngsters Set

Plans have been completed for the annual Christmas party for children of members of Bay-Waveland Yacht Club. The gala affair, complete with a visit from Santa Claus and gifts for all the young guests, will be in the main lounge of the club from 3 p.m. until 5 p.m., Dec. 21.

Mrs. Gary Taylor is general chairman of the affair and is being assisted by Mrs. Shirley Sewell and Mrs. W. L. McFarland, refreshments; Mrs. C. C. McDonald, Jr., entertainment; Mrs. Charles Lozano, gifts; Mrs. David Pointexter, decorations, and Frank Foley, Santa Claus. Mrs. Taylor has asked that

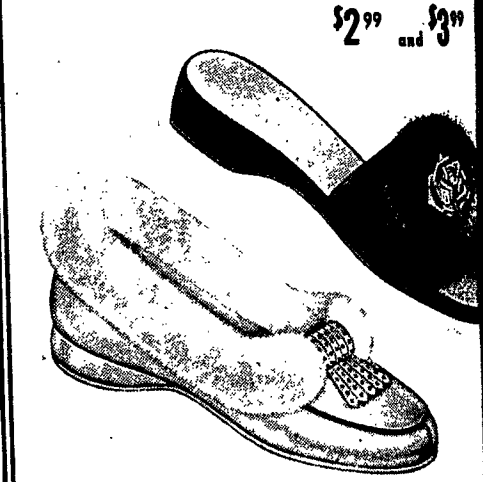

ages of the guests be limited to 10 years and younger.

A highlight of the afternoon will be several entertaining films shown by Don McCulloch.

the Ideal Gift for all the Ladies on your Christmas List

Will Join State Band

David Bishop, Warren Carver and Albert Le Blanc, members of the Stanislaus Band, have been selected unanimously by the State Band Committee to be the Mississippi All-State Band for the directors' which will be held at the Vista Hotel, Biloxi, today and Sunday.

They will play host to the directors of the Mississippi Music Educators Association, which is an affiliate of the Mississippi Education Association. Brother Romuald, president of the Coast Band Directors Association, and his committee are in charge of local details of the clinic.

Conductor for the event will be Paul Yoder, nationally known conductor, composer, arranger and adjudicator. The assistant conductor will be Sigurd Rascher, an outstanding saxophonist. Three hundred of the best high school musicians in the state and 150 band directors will attend the three-day clinic. Purpose of the clinic is to study new teaching materials, select new compositions for the band festival and discuss methods for improving conducting techniques. Upon arrival today, students are being auditioned for positions in one of the three clinic bands. Rehearsals will go on through the day Friday and Saturday.

Friday night an open house banquet for directors, ex-students and guests will be in the Yacht Club and will be followed by a business meeting of the band division of the Mississippi Music Educators Association. Climaxing the clinic will be a concert Saturday night with Mr. Yoder conducting and Mr. Rascher as assistant conductor and soloist. Rehearsals Friday and Saturday and the concert Saturday night are open to the public.

Basic Training Ends

St. Army Recruit James L. Smith, son of Mrs. Lula Bell Smith of 251 Sycamore St., has completed eight weeks' basic training at Ft. Jackson, S.C. He is a 1958 graduate of St. C. Jones High School.

New Workbook Studied

Miss Parker's English students are studying a new workbook entitled "New Goals in Spelling." Purpose of this course is to help students improve in word usage, pronunciation and spelling. Having completed five units (100 words), Miss Parker announces that these students have a plus average: Harry Shattuck, Charles Brelard, Jerry Lynn Jones, Gloria Lombardo, Lynda Lizana, Ann Noto and Doris Woods.

Band Holds Tryouts

Tryouts were held Friday for the band students who are going to participate in the clinic Jan. 31, at Gulfport. A band will be formed from all bands on the Gulf Coast. Tryouts were held for chair arrangements at St. Stanislaus College.

Yule Program Is Set

Plans are under way for the annual Christmas program which

will be a pageant instead of the usual cantata. The program will be presented at 8 p.m. Monday in the Bay High auditorium. The public is invited.

Enacting the pageant are Bobbie Jo Walters, Steve Wilson, James Mayfield, James Walters, Bill Wams, Gary Byrd, Jeanette Payard, Bobby Van Calsem, Floyd Christy, Rosalie Carver, Bobby Williams, Benny Glass, Kenny Stieffle, Gerald Farve, Rip Kennedy, Norvin Penrose, James Watson, Margie Johnson, Paulette Ford, Nancy Chatman, Mary Williams, Madeline Manning and Janice Lee.

Lynne Hall is narrator. The high school and junior high choruses will sing. Director is Miss Peggy Jo Bell.

Cagers Are Defeated

Bay High's boys' and girls' cagers met Perkinston teams Friday in the Perkinston gymnasium.

Both Bay High teams were defeated. Final score of the boys' game was 62-33. High scorers for the Tigers were Gregory Ne-calse with 17 points and Lester LaFrance with 6.

The Tigerettes' final score was 34-35. Pat Kennedy led the scoring with 16 points. Arlene Ladner followed with 8.

The Tigers' next home game will be Dec. 12 when they will meet Ocean Springs.

Tigerettes Lose

The Tigerettes varsity squad was defeated by St. Joseph's Academy Monday by a score of 47 to 40.

Catherine Allston was high scorer with 19 points. Arlene Ladner followed with 15 points. The Tigerettes' next scheduled game with SJA will be Jan. 9 in Bay High gym.

B Team Is Winner

Bay Hi's B team made its first appearance Monday against

St. Joseph Academy's B team. During the final minutes of the game the Tiger Cubs pulled away to a one-point lead. Final score of the game was 33 to 32.

High scorer was Beverly Schindler with 15 points. Gloria Kimmel followed with 12 points. The B team squad included Gloria Kimmel, Jo Ann McCullough, Beverly Schindler, Paula Crider, Elaine Sones, Ann Morreale, Jeannette Santinelli, Carl Nell Russel, Edith Traub, Freda Pernicaro, Peggy LaFrance and Nita Kay Erwin.

TOP TV—The Dinah Shore Chevy Show—Sunday—NBC-TV and the Pat Boone Chevy Showroom—weekly on ABC-TV.

Like all '59 Chevs, this Impala Sport Coupe is new right down to the tougher Tyrez cord tires it rolls on.

Walk around the car that's all-round new... then be our guest for a pleasure test—

DRIVE A '59 CHEVY TODAY!

One look at this '59 Chevy tells you here's a car with a whole new slant on driving. You see the transformation in its low-set headlights, the overhead curve of its windshield, the sheen of its Magic-Mirror finish—a new acrylic lacquer that does away with waxing and polishing for up to three years. But to discover all that's fresh and fine you must relax in Chevrolet's roomier Body by Fisher (up to 4.2 inches more room in front, 3.3 inches in back), feel the lounge-like comfort of Chevy's new interior, experience the hushed tranquility of its ride (choice of quillity of its ride or gentler-than-improved Full Coil or gentler-than-improved Level Air suspension). Once ever Level Air suspension). Once you're on the road you'll discover such basic benefits as bigger, better cooled brakes that give over 50% longer life, new easy-ratio steering and a Hi-Thrift 6 that gets up to 30 per cent more miles per gallon. And, of course, you find Safety Plate Glass all around in every Chevrolet. Stop by your dealer's and pleasure test the car that's shaped to the new American taste! *Optional at extra cost.

Yacht Club Auxiliary Officers Installed

Mrs. A. O. Hoefeld was installed as president of the Bay-Waveland Yacht Club Women's Auxiliary Dec. 3.

Serving with Mrs. Hoefeld for the 1958-59 term will be Mrs. W. R. Sattler, first vice president; Mrs. H. M. Wise, second vice president; Mrs. Lewis Wagner, secretary, and Mrs. K. W. Pepperdene, treasurer.

Mrs. Hoefeld announced that there will be no regular luncheon for the month of December only.

Mrs. C.E. Becker Hostess At Coffee Party in Home

One of the loveliest parties of the holiday season was the large coffee party given by Mrs. C. E. Becker in her home at Lakeshore Tuesday afternoon.

Christmas greens, candles and brightly colored tree ornaments were used in arrangements throughout the reception rooms.

Mrs. Becker, assisted in receiving by her daughter-in-law,

Mrs. Hall Becker of New Orleans, selected an afternoon dress of black Chantilly lace and silk velvet. Black accessories and a camellia corsage accented her dress. Mrs. Hall Becker wore gray sheer wool, black accessories and a camellia corsage.

An unusual wrought iron sleigh pulled by eight reindeer graced the center of the serving table which was covered by a handsome embroidered linen cloth. Each reindeer held a lighted red taper on his back and the sleigh was filled with glittered miniature Christmas trees and tiny Christmas packages. The entire centerpiece rested on glittered snow.

At one end was placed a silver coffee service and the other appointments were in crystal and silver.

On another table, guests served themselves from a Japanese tea service flanked by greens, tall lighted red tapers and Christmas baubles. The sherry table was adorned similarly.

Mrs. Rae Cope and Mrs. Roy Dennis assisted in serving.

A large group of friends of the hostess called during the hours of the party.

NEW LIBRARIAN - Mrs. Katherine E. Wilson will become librarian of City-County Memorial Library when Miss Louise Crawford, present librarian, retires next month.

Mrs. Wilson has been assistant librarian for the last several years. The library, now located on Court St., was founded 24 years ago by Miss Crawford in two rooms above Hancock County Bank.

Mrs. Wilson's present position will be filled by Miss Mary Isom.

Legion Auxiliary Hears Final Report on Gift Shop Project

A final report on the veterans' gift shop project highlighted the regular meeting of Clement R. Boncompagni Unit, American Legion Auxiliary, Dec. 8 in the Legion Home.

Mrs. Henry Prevost presided and presented Mrs. Rogers

Michael Romanoff Is Feted at Party

Michael Romanoff, daughter of Mr. and Mrs. Gordon Romanoff, celebrated her fifth birthday with a party in the home of her parents on Main Street Saturday afternoon.

The children played games, with Patsy Elliott and Tony Gayaut winning the prizes.

A large birthday cake was in the center of the serving table. The cake was decorated in red and green Christmas colors and was served with punch by Mrs. Romanoff. Each child received favors of candy and balloons.

Michael's guests were Debbie Green, Don and Gene Estapa, Michael Gill, Greg, Pam and Johnnie Pfeiffer, Patsy Elliott, Sandra, Tony, Phillip and Kenny Gayaut, and Nikki and Alexia Romanoff. Mrs. Romanoff was assisted in entertaining by Mesdames J. F. Green, Russell Elliott, Mae Gill, Gilbert Gayaut and Bert Estapa.

Second Birthday Marked at Party

Debbie Green, daughter of Mr. and Mrs. J. F. Green, celebrated her second birthday in the home of her parents at 212 Main St. Dec. 4.

The young guests enjoyed an afternoon of games and entertainment.

The gaily colored birthday cake was topped with two candles and was served with ice cream. There were 21 children and 10 adults at the party.

Waveland Notes

BY CECILE TURCOTTE

Mrs. Eleanor Ranson, past National vice commander of the Disabled American Veterans Auxiliary, attended the banquet in the St. Charles Hotel at New Orleans, given by the Department of Louisiana honoring the National Commander and vice commander. Mrs. Ranson was master of ceremonies.

Dr. and Mrs. W. C. Hava motored to Jackson Dec. 3 to attend a meeting of hemerocallis growers where he spoke and showed day lily slides, Dec. 4 Dr. Hava spoke before the Jackson Camellia Society, using as his subject, "The Anatomy and Physiology of the camellia."

The infant son of Mr. and Mrs. Santo Saucier, Santo Jr., was baptized Sunday in St. Claire Catholic Church by the Rev. M. J. Costello. Sponsors were Harold Saucier and Mrs. Shirley Turcotte.

Mr. and Mrs. Noah B. Gates of Hattiesburg were recent guests of Mr. and Mrs. Ray Gates and family.

Mrs. Catherine Steger motored to New Orleans Tuesday where she spent the day shopping and visiting relatives.

John Eckerle has returned home from New Orleans where he spent several days with relatives and attended the funeral of his sister, Mrs. Kate Klein.

Mrs. Ducre Bourgeois, who underwent major surgery in Gulfport Memorial Hospital, is convalescing in her home on Market St.

Miss Annie DuFay of Chalmette, La., is visiting her cousin, Miss Sandra Austin.

Mr. and Mrs. A. R. Jenkins spent Sunday at New Orleans with their son-in-law and daughter, Mr. and Mrs. George Thorning.

Kellehers Celebrate 53rd Anniversary

Mr. and Mrs. J. J. Kelleher celebrated their 53rd wedding anniversary Sunday.

In observance of the occasion, they were entertained at a small family dinner party in the home of their son-in-law and daughter, Mr. and Mrs. A. O. Hoefeld, of N. Beach.
